RE: **STAFFING SHORTAGE**

Lake Medical Imaging is very short staffed, due to the recent spike in Covid-19 cases in our area.

For the rest of this week and next week, our centers are only conducting STAT and Urgent cases.

Patients already scheduled for non-urgent exams, will be rescheduled for future dates, in the near future.

All others will be put on a wait list and scheduled according to availability.

Please be assured, we will schedule your patients within a reasonable time as the situation permits.

Thank you for your patience and commitment to the safety and health of our patients and staff!
