## Barium Enema Prep Instructions

**CLEAR LIQUID DIET** – It is very important to drink plenty of clear liquids throughout the entire day. Do not eat any solid food. Follow the schedule in the table below for your bowel prep. Plan to remain within easy reach of the restroom. You will have many bowel movements throughout the day and they will become very watery.

**\*Examples of clear liquids:** Black coffee, plain tea, bouillon, Sugar-free Jell-O, Non-Pulp unsweetened juice. **NO MILK OR CREAM.**

Additional Items required for your prep (Your Shopping List)

\_\_\_ 1 64oz bottle of Gatorade

\_\_\_ 1 8.3oz/238-gram bottle of Miralax

\_\_\_ 3 Bisacodyl/Dulcolax Tablets

**24-HOUR PREP REQUIREMENTS THE DAY BEFORE YOUR EXAM** - Open your 64-ounce bottle of Gatorade and discard 10 ounces from the bottle. Then empty the 8.3oz/238-gram bottle of Miralax into the bottle of Gatorade. Cap the bottle and shake to dissolve the powder then refrigerate.
